

KS Wetland and Aquatic Resources Plan Team Meeting
July 15, 2008
SCC Office
Topeka

Harold Klaege, KAWS, opened the meeting at 10:00 a.m. at the SCC conference room in Topeka and welcomed attendees. Attending were: Klaege and John Bond, KAWS; Ken Kuiper, NRCS; Deb Baker, KWO; Rob Reschke, SCC; Eric Johnson, KDWP; and Eliodora Chamberlain, Kathy Mulder and Catherine Holston, Region 7 EPA.

Harold reviewed the meeting summary from the June 17th meeting. The group then went over the template and what everyone found. Recommendations that should be included in the framework were offered on the topics as they were discussed.

The team the Wetland and Riparian Project documents and all agreed that they were a good foundation and needed to be updated.

Recommendations are included on the KS template.

Next Step

Harold will draft the framework plan by mid August for the rest of the team to review. The framework may follow the outline that was previously developed by Tim Christian.

Next Meeting

The team seceded that based on the first draft and the use of email, any meetings will be decided then.

Meeting adjourned at 1:45 p.m.
